**1. DETAILED ACTION**

1. This Office action is in response to Applicant's RCE and amendment filed October 22, 2007. Claims 1, 2, 4, 5, 11, 13, 14, 21, 22, 26, and 28-30 have been amended. Claims 7-10, 12, and 15-20 have been canceled.

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

***Claim Rejections - 35 USC § 112***

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 1-6, 11, 13, 14, and 21-30 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 1, sixth paragraph, wherein the sentence starts "enabling one of...", it is not clear what one of the display units communicates the stored identifications of people within the social network of the first wearer to. For examining purposes, it is presumed that the display automatically communicate the stored identification of people that were within the social network of the first wearer to the display unit of worn by the second wearer.

In claim 21, in the paragraph starting with the number (1) it is not clear what is intended to be read. Is it supposed to be read "an identification OF the second person". For examining purpose, it is so presumed.

*Allowable Subject Matter*

5. Claims 1-6, 11, 13, 14, and 21-30 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Julie Lieu whose telephone number is 571-272-2978. The examiner can normally be reached on MaxiFlex.
